10:30 a.m.

We will head out for our bike parade together! We will start the parade at Latham Island Park. We will bike around Otto and Morrison Drive, across the Causeway and into Old Town, finishing at Old Town Bikeworks. We have a shortcut planned for those wee ones that may need a bit more time and less distance to get to our end location! Adult guides will accompany the Parade for safety.

11:30 a.m.

We will finish the Parade with treats at Old Town Bikeworks.

Everyone is welcome to join the parade - kids and adults alike! Costumes are optional...but they sure make the parade more colourful and fun...so we encourage you to have fun and be creative!
